ABOUT ME

I am currently pursuing a Bachelor of Computer Applications (BCA) from GL Bajaj Institute of Management, Greater Noida. Throughout my academic journey, I have consistently worked on strengthening my skills in programming languages such as C, C++, and Java. Among these, I have developed a keen interest in Java development, which I am actively focusing on through projects and continuous learning. I am always eager to learn new technologies and improve my problem-solving abilities. My goal is to build a successful career as a Java Developer, contributing to innovative software solutions and growing as a skilled professional in the tech industry.

EDUCATION
